☐ **New Program***
☑ **Change Program***

Effective Date *(TERM & YEAR)*
Fall 2025

Please explain the requested change(s) and offer rationale below or on an attachment.

We propose making FIN4772 FinTech Digital Disruption a required course alongside ENT4512 Crowdfunding, as FIN4772 specifically focuses on Financial Technology.

Additionally, we propose removing FIN4303 and FIN4533 from the list of elective courses, as they do not align with the focus on Financial Technology.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
