Re: Termination of Inactive Courses from Fall 2025 Inactive Course Review

Last fall, the Registrar's Office conducted a review of inactive courses at FAU, in which all department heads were asked to consider whether or not to retain inactive courses in their areas. This review was in line with Florida Statute 1007.24, Section 8.

The review is now complete, and the next step in the process is to terminate courses that departments have indicated will no longer be offered. The attached Excel spreadsheet shows inactive courses by department and college that are to be deleted from Banner, the University Catalog and the Statewide Course Numbering System (SCNS).

We now present them to the UUPC for approval of their termination.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
