Program Name

B.A. in LLCL with a Concentration in Linguistics

☐ **New Program***

☑ **Change Program***

Effective Date
(TERM & YEAR)

Fall 2026

Please explain the requested change(s) and offer rationale below or on an attachment.

Proposed revisions simplify the concentration requirements and bring them up to date with current departmental practice, minimizing the need for substitutions. The overall number of required courses/credits remains the same.

Revisions include:

Eliminating the "Language-Specific Concentration" requirement (4 courses)

Expanding the Linguistics Electives requirement (currently called "Other Required Courses") from 3 courses to 5. We have removed from this list courses that are no longer offered.

Creating a new "LLCL Electives" requirement (2 courses)

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
