Department Management Programs

College Business

Program Name	☐ **New Program***	**Effective Date** *(TERM & YEAR)*
Health Administration Major	☑ **Change Program***	Fall 2026

Please explain the requested change(s) and offer rationale below or on an attachment.

1) The department of management programs proposes to remove HSA4110 (Health Care Organization & Administration) as a prerequisite for HSA4140 (Strategic Management in Health Organizations), and HSA 4222 (Long Term care administration).
2) We propose to add HSA 4012 (Issues and Trends in Public Health) as an elective.
3) We propose to remove HSA 4223 (Management of Long-term care facilities) from the elective list.
4) We propose to remove HSA 4109 (Managed Care) from the elective list.
5) We propose to remove HSA 4511 (Practice Management) from the elective list.
6)We propose to introduce HSA4915 (Directed Independent Research in Health Administration) as an alternative to HSA4817 (Health Practicum) in the curriculum. Students not able to find remote practicum opportunity can take HSA4915 for 6 credits and work with the faculty on a given project. The final decision to choose between HSA 4817 and HSA 4915 is based on the approval of the internship coordinator.
7)We propose to increase the number of credit hours for HSA 4915 (Directed Independent Research in Health Administration) for up to 6.
8) MAR 4712 (Healthcare Marketing) was previously approved as an elective, but does not show up in the catalog. It is being added in this update.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.

Health Care Financial Management (see item 2 below)	HSA 4170	3 or
Principles of Financial Management	FIN 3403	3
RI: Health Practicum	HSA 4817	6

Health Administration Elective Courses – 9 credits

Course Title	Course Number	Credits
Introduction to Health Professions	HSA 3104	3
Technology in Health Care Organizations	HSA 3191	3
Health Care Medical Terminology	HSA 3534	3
Issues and Trends in Public Health	HSA 4012	3
~~Managed Care~~	~~HSA 4109~~	~~3~~
Issues and Trends in Health Care	HSA 4113	3
Issues and Trends in Public Health	HSA 4012	3
International Healthcare Systems	HSA 4124	3
Long-Term Care Administration	HSA 4222	3
~~Management of Long-Term Care Facilities~~	~~HSA 4223~~	~~3~~

Health Care Quality Management	**HSA 4383**	**3**
Healthcare Marketing	**MAR 4712**	**3**
~~**Practice Management**~~	~~**HSA 4511**~~	~~**3**~~
Directed Independent Study	**HSA 4905**	**1-3**
Directed Independent Research in Health Administration	**HSA 4915**	**1-6**
Special Topics	**HSA 4930**	**1-3**

RI: Health Practicum, HSA 4817
Successful completion of RI: Health Practicum is necessary for graduation. Students taking the Practicum must:

1. **Have successfully completed, i.e., earned a "C" or better, the six core courses;**
2. **Have a GPA of 2.5 or better in all courses taken at FAU;**
3. **Have completed at least 33 upper-division (3000-level or above) credits;**
4. **Be a Health Administration program major; and**
5. **Not be on academic probation.**

Students can take HSA4915 (Directed Independent Research in Health Administration) as an alternative to HSA4817 (Health Practicum) in the curriculum. Students who are not able to find remote practicum opportunity can take HSA4915 for 6 credits and work with the faculty on a given project. The final decision to choose between HSA 4817 and HSA 4915 is based on the approval of the internship coordinator.
