Program Name	☐ **New Program***	**Effective Date** *(TERM & YEAR)*
Health Administration Undergraduate Minor	☑ **Change Program***	Fall 2026

Please explain the requested change(s) and offer rationale below or on an attachment.

1) The current catalog shows two minors (one for business and one for non-business). We propose to now offer only one minor renamed Health Administration Undergraduate Minor which meets the minimum requirement of 12 credits.

2) We are proposing to add HSA 4012-Issues and Trends in Public Health as an elective for Health Administration minor as a part of periodic review process.

3)We are proposing to add HSA 3104-Introduction to Health Professions as an elective for Health Administration minor as a part of periodic review process.

4)We are proposing to add HSA 4700-Introduction to Health Research and Managerial Epidemiology as an elective for Health Administration minor as a part of periodic review process.

5)We are proposing to add MAR 4712-Healthcare Marketing as an elective.

6) We propose to remove HSA 4109 (Managed Care) from the elective list.

7) We propose to remove HSA 4511 (Practice Management) from the elective list.

*All new programs and changes to existing programs must be accompanied by a catalog entry showing the new or proposed changes.
