Healthcare Finance
Undergraduate Minor ~~for Non-Business Majors~~
Undergraduate Certificate

(Minimum of 12 credits required)

The Healthcare Finance minor and certificate provide an interdisciplinary educational opportunity for undergraduate students to gain the knowledge to effectively interact with the finance leaders of their organizations and to learn how to develop financially responsible approaches in health care. Professions and ~~Professions and majors~~majors benefiting from these programs include ~~healthcare administration,~~ health science, nursing, medicine, biomedical sciences, finance, actuaries, insurance, information technology, and social work, among others. The Healthcare Finance minor/certificate is not for students with health administration major.

The minor is available to all undergraduate degree-seeking students and may be earned upon successful completion of the coursework below and the simultaneous completion of a bachelor's degree at FAU. For Non-Business majors, a waiver of prerequisites will be made on a case-by-case basis.

The certificate is available to degree-seeking students, non-degree students and working professionals. Students pursuing the certificate may apply for it in the College of Business Office of Student Academic Services upon successful completion of the coursework below.

Students cannot obtain both a certificate and a minor. Both programs require 12 credits each, with minimum grades of "C" required in all courses. For the minor, at least 9 of the 12 credits must be earned from FAU.

To earn the minor or certificate, students must complete the following courses:
